

Smoke and flames boil through the roof of Oil King Motors at the height of the fire which

completely destroyed the building Monday afternoon.

## Fire Monday Afternoon Destroys Oil King Motors

Fire of an undetermined origin late Monday afternoon completely destroyed the premises of Oil King Motors Ltd.

Mr. Emil La Branche, owner of Oil King Motors, estimated the loss in the neighborhood of \$120,000, which was partially covered by insurance.

Drayton Valley Fire Department was on the scene less than five minutes after sound-

ing of the alarm but by that time the garage was engulfed in flames and it was impossible to save any of the contents of the building.

Mr. La Branche stated that the only things saved from the fire were a ledger and a few papers.

Three cars and a truck were lost in the fire. One of the cars was a new Ford ready for

delivery to the buyer.

The 50 by 80 foot building is a total loss. The only portions left standing are buckled steel beams and sheathing.

No one was injured.

Members of the fire department were called out during Monday night and again early Tuesday to attend to the fire which continued smoldering throughout the night.

## Rebels Back in Lead

As a result of weekend action in the NWHL Drayton Valley Rebels are back in a first place tie with Hinton Hawks.

Rebels gained the top spot with a 6-4 victory over Jasper Saturday evening and an 8-2 win over the Hawks Sunday. Both games were played away from home.

Scoring in the Saturday game against Jasper were Haack (2) and singles to Hall, Hemmingway and Hutchinson.

Roy Hutchinson was struck with a high stick in the Saturday night encounter and is hospitalized with an injured eye.

On Sunday, in what has been described as the fastest game of the season, Rebels clobbered the high-flying Hawks by an 8-2 score in the Hinton arena.

Novasel, with a three goal performance, led the Rebels scorers. Singles were added by Hall, Hemmingway, Dea, Boulter and Machan.

Final scheduled league action will be a home and home session this weekend between the Rebels and Edson Commodores. Edson will be here for a game Saturday at 8:30 p.m. with the second game scheduled for Edson Sunday afternoon.

Playoffs are scheduled to start March 18th.

## Chamber of Commerce Holds Regular Meeting

Regular monthly meeting of the Drayton Valley and District Chamber of Commerce was held in the Town Hall last Thursday evening.

Major portion of the meeting was taken up with committee reports and continued after adjournment with an interesting discussion of many aspects of community affairs.

Everett Brandt introduced the need for a public telephone booth at Violet Grove and the Chamber will approach the AGT with a request for such service.

Bamey McGlone reported on the Monday, February 27th meeting of the Evergreen Tourist Association in Edson. Next meeting of the Association will be held in the Drayton Valley Hotel on Monday, April 3rd.

Mr. McGlone reported that in June six American sports and outdoors writers would be visiting Alberta following their annual convention in B.C.

Two of the six writers will be visiting Zone 7 for about a week during which time they travel around the area and communities in Zone 7 including our own town and district.

Highway signs and signs within the town indicating directions to the highway were discussed at some length.

Bob Mayhew, chairman of the Highways Committee, asked why there is no indication on Highway No. 2 at Leduc of the shortest distance to Jasper on Highways 39 and 57.

His query stirred up considerable interest and the Minister of Highways will be approached with a request for such information to be prominently displayed at the Highways 2 and 39 junction.

Mr. Mayhew pointed out that many drivers would appreciate missing the city traffic and saving many miles of driving if they were aware of the shortcut.

The need for a district agriculturist to serve the area was pointed out by Wendy Sekura in reporting for the agriculture committee. Modern farm practices require professional advice and as a result of his suggestion a committee of the Chamber will write the Provincial Department of Agriculture and endeavor to have a D.A. located in this commun-

### SEEK LEAGUE HONORS

## Warriors Dethrone Warburg

Warburg champions of the Pembina High School League since its formation in 1964 were dethroned recently by a fired-up FMHS Warrior team from Drayton Valley. The local Warrior team now go against the Thorsby team to battle for league honors. The local boys will be at home this Friday against the highly capable Thorsby five.

The Warriors must win one of the games of a home and home series while Thorsby needs to win both because of

points and Ken Bureyko with 12.

The victory was an all out team effort with Doug Ibbotson and Larry Metelski doing an outstanding job on the defensive backboard. Pat Hurley Rodney Schultz, Laszlo Torok Both and Charles Swap also played well for the local team. Leading the Warburg attack were Terry Buchan with ten points and Richard Carstairs with six. This was the Warriors fifth straight league victory.

## A Great Loss

Canada suffered a great loss Sunday, March 5th in the death of Governor-General Georges P. Vanier.

Our country had no more devoted servant, and no country could ask more of any man than that given by General Vanier. His whole life was dedicated to the service of sovereign and country as a soldier and diplomat.

General Vanier was a distinguished citizen with an abiding faith in the destiny of Canada. His loss will be especially felt in the cause of national unity, to which he had dedicated himself completely.

We mourn the passing of a truly great Canadian.

MR. ADAM ECKERT

## Copeman's Shoe Store Changes Ownership

Tri Eka Investments Ltd. announced last week the purchase of Copeman's Shoe Store in Drayton Valley. The change in management became effective March 1st.

The store will now be operated as Adam's Shoe Store with Adam Eckert as manager.

The three Tri Eka shareholders are Adam Eckert, William Adam of Whitecourt, and Harold Eckert of Fort MacMurray.

Former owner of the store, Mr. W.L. Copeman has not

announced his future plans. He has operated the store for the past twelve years.

Mr. Eckert, the new manager, has resided in Drayton Valley for the past thirteen years during which time he was employed by MacCalder Construction.

Mr. Eckert has taken an active part in community projects and is now president of the local Lions Club. Mr. and Mrs. Eckert have one young daughter.

2014.08.176B

## Robert Disney Passes Suddenly Monday

Funeral services will be held in All Saints Church at 2:00 p.m. Thursday for Robert Disney, 52, who passed away suddenly Monday evening.

Mr. Disney, well known locally, was an employee of Pembina Pipeline Limited. On February 14th he received his gold pin for ten years with the company.

He is survived by his wife, Ileen, and five sons, Donald of Whitecourt, Robert of Calgary, Allan of Drayton Val-

ley, and David and William at home.

The family has resided in Drayton Valley for the past eleven years.

Fenton and Kirkman Funeral Chapel of Lacombe, is in charge of arrangements.

## Chamber Meeting

Cont. from Page 1

ity to serve the area surrounding Drayton Valley.

He noted that land clearing was going on in many places and often without regard for the need for shelterbelts in the future. He felt that professional advice might encourage clearing with an eye to the future that would avoid the necessity of planting shelterbelts a few years from now.

Plans for an amateur rodeo on July 15th are going ahead with sponsorship by the Maverick Roping Association unless service club sponsorship is undertaken. The Chamber of Commerce will go ahead with plans for a parade, canoe race and midway in conjunction with the rodeo.

## Women's Institute to Start Flower Show Plans

The February meeting of the Drayton Valley Branch of the Women's Institute was held in the library on the 27th with seven members and one visitor present.

The Constituency Conference is to be held in May this year and part of the meeting was taken up with a discussion of the handicraft contest.

A card from Unitarian Service was received in which our branch was thanked for a donation of clothing for overseas relief work.

Mrs. Walter Krause thanked the W.I. for giving her a W.I. cup and saucer as a parting gift.

Mrs. Olga Brown, W.I. Girls' Club Leader, asked that the branch obtain a speaker for her club on the topic of Agriculture. Since many of the girls in the club do not have a farming background it was thought desirable to have something that was likely to be of practical value to them. A talk on flower arranging is planned

## Rec. Board Meeting

The regular monthly meeting of the Drayton Valley Recreation Board was held on Monday, March 6th in the Recreation Office. The main item of business concerned the operational aspects of the Centennial Civic Centre.

## Models Judged

Alf Kublick, judge of the recent model contest held by Pembina Drug Store, studies two of the entries in the above shot. Winners of the contest will be announced in next week's paper.

# Essay Contest Announced

A national centennial children's essay contest on local fire fighting history, open to all grade 5, 6, 7 and 8 pupils, was announced today by Fire Chief Don Greiner. Sponsored by the Public Fire Services of Canada, the contest offers a total of \$1,400 in prizes for the best treatment of the subject, "A History of Fire Fighting in my Community."

First prize is \$500; second, \$250; third, \$100, plus eleven regional prizes of \$50 each. All prizes are in the form of registered Canada Savings Bonds, "Centennial issue", redeemable at par value plus interest at any time.

Objective of the contest is to create a greater awareness of fire fighting and fire prevention among youngsters of an impressionable age in public, separate and private schools.

Essays may be written around fire fighting in city, town, village, county, township or district. An entry may be either hand-written or typed, not exceeding 2,500 words, and must be certified by teacher or parent that it is

the child's own work.

"Our Department will be pleased," said Chief Greiner "to lend whatever help we can to any child eager to gather material."

The Chief stressed that no child of the immediate family of an accredited fire fighter was eligible for the contest.

Entries should be sent direct to National Centennial Fire History Contest, Room 340-34 Front Street West, Toronto 1, Ontario, postmarked not later than July 1. Winners will be announced during Fire Prevention Week, October 8-14 by the panel of judges.

The annual Buck Creek ladies open bonspiel was held February 18th and 19th with ten rinks from Breton, Berry-moor, Drayton Valley and Buck Creek participating.

First Event winner was a rink skipped by Gunhild Ladouceur with Lena Neilson, third, Janet Young, second and Janet Polischuck lead. Second in the first event was a combination rink from Goliad Gas Plant and Buck Creek skipped by Jean Sheppard. Third was another Breton rink skipped by Edith Craig.

Taking home the trophies for the second event was a home team skipped by Gladys

Stec, with Mary Rossell third, Lil Roos second and Debbie Lee lead. In second position was a local rink skipped by Shelia Roos. Third place was won by a Buck Creek foursome skipped by Leanne Sieben.

The Stella Bray rink from Drayton Valley received the trophies in the third event. Alice Leake played third, with Bernice Thirsk second and Pearl Safronovich of Buck Creek lead. Second place went to a home team skipped by Joyce Stec and Third was the Phyllis Lawson rink from Berry-moor.

Consolation prize went to the Gail Fowler rink from

Buck Creek.

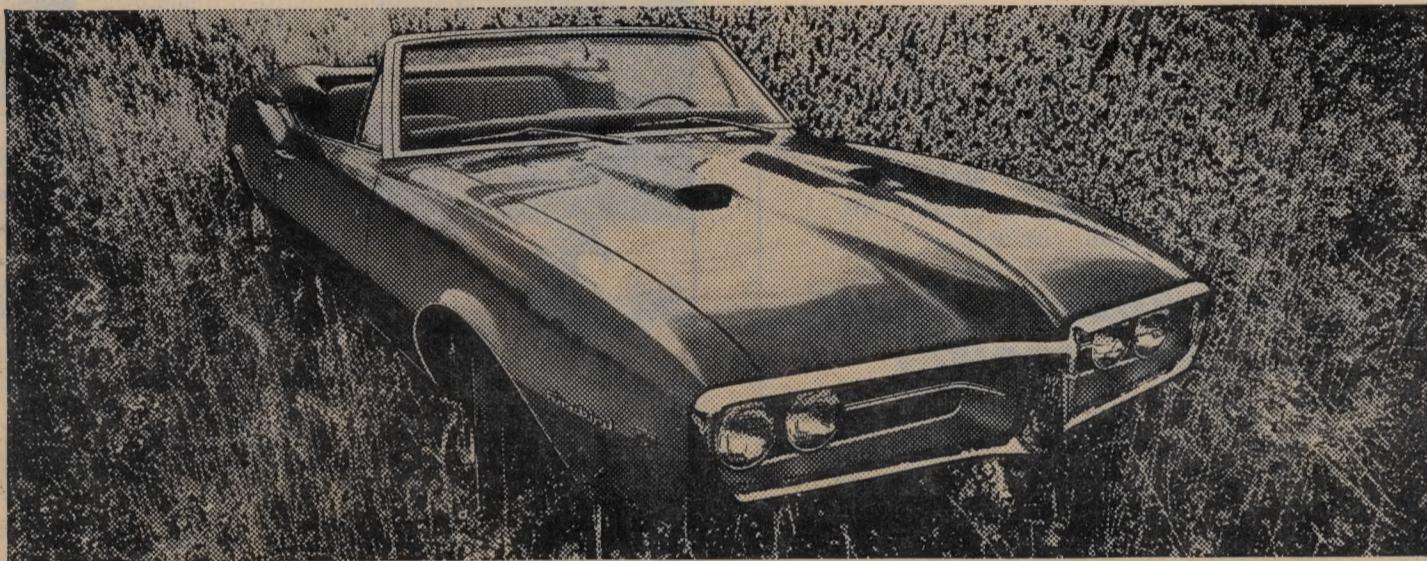

The ladies extend a sincere thank you to Northwestern Utilities for donating the trophies for the first event and also to Ben's Corner Service and Buck Creek General Store for donating prizes.

A special thanks to all the fellows for babysitting during the banquet, preparing and looking after the draw, lunch counter and the ice.

We would also like to extend our sincere appreciation to Mrs. Bertha Simpson, Mrs. Agnes Regenwetter and Mrs. Donna Haukedal for preparing the banquet.

The average dairy cow in the United States today produces 8,100 pounds of milk. Twenty-five years ago the average was 5,700 pounds.

## If you thought Pontiac was coming out with just another sports car, you don't know Pontiac!

**Pontiac announces not one, two, three or four, but five magnificent new Firebirds for every kind of driving.**

Now you can choose from five new Firebirds with the same advanced Pontiac styling, but with five entirely different driving personalities. And they all come with supple expanded vinyl interiors, wood grain styled dash, exclusive space-saver collapsible spare, bucket seats and wide-oval tires.

**Firebird HO. HO stands for High Output.** As a split second behind the wheel will attest to. The Firebird HO boasts a 285-hp V-8 with a four-barrel carburetor, dual exhausts and sport striping. Standard stick is a column-mounted three-speed. Naturally, all Firebird options are available.

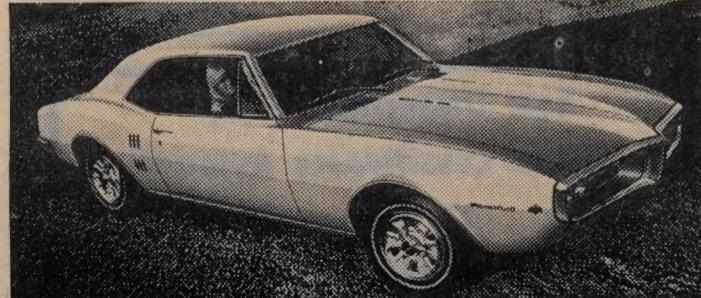

**Firebird 400.** Coiled under those dual scoops is a 400 cubic inch V-8 that shrugs off 325 hp. It's connected to a floor-mounted heavy-duty three-speed. On special suspension with redline wide-oval tires. This could be called the ultimate in grand touring. *After this, there isn't any more.*

**Firebird 326. Is there room for a family in a sports car? There is now.** The excitement of a sports car with the practicality of a 326 cubic inch V-8 that delivers 250 hp on regular gas. Standard transmission is an all-synchro three-speed, but you can order an automatic.

**Firebird Sprint. Now you don't have to go to Europe for a sophisticated road machine.** This is the 215-hp version of our eager Overhead Cam Six. It's mounted on special suspension that practically welds it to the road. (Any road!) With a floor-mounted all-synchro 3-speed.

**Firebird. This is our economy Firebird—with the same exciting options and interiors as the more exotic ones.** Its Overhead Cam Six squeezes 165 hp from regular for inexpensive fun driving. See them all at your Pontiac dealer's.

## Hospital Auxiliary Meeting

The regular monthly meeting of the Hospital Auxiliary was held at the Nurses' Residence on February 9th. There were eleven members present.

The Bake Sale which was held on February 14th was discussed, and also plans for the Spring Rummage Sale. The date will be announced later. A discussion was also held on our proposed Centennial Project.

It was reported that six pairs of drapes had been purchased for the Hospital.

The next meeting of the Hospital Auxiliary will be held at the Nurses' Residence on March 9th. New members are always welcome.

Real glory springs from the silent conquest of ourselves.

Joseph Parrish Thompson.

## Future Unlimited

Two interesting items were discussed at the last meeting of the Chamber of Commerce. These were the need for a District Agriculturist and highway markings at Leduc pointing out the shorter northern route via Highways 39 and 57 to meet Highway 16 West of Edmonton.

Both are being acted upon by Chamber committees. This is the important point... they may not be successful in gaining the desired end but it is an indication that somebody in the community is prepared to work for improvement in the town and district.

That in a nut shell is the whole story of our future. We can sit around and let things slide or we can all get together and work to make sure we go ahead.

Speaking with an organized voice is necessary to make any headway and the organization already exists in the Chamber of Commerce. It needs, however, the ideas and help of every individual who has a stake in the future of Drayton Valley and area. With the determination and co-operation of forward-thinking citizens we can ensure a progressive future.

## MAKE THIS YOUR PERSONAL CENTENNIAL PROJECT

For the last six years, Calgary Power, with the active cooperation of Alberta's Weekly Newspapers, has sponsored the ALBERTA JUNIOR CITIZEN award programme. Each year, you have had a chance to nominate some worthy young citizen. Many award winners have received national acclaim. ### LEGION HALL

Drayton Valley

Monday, March 13th

at 8:00 p.m.

Samuel Hearne, an explorer with the Hudson's Bay Co., crossing the northern barrens from Fort Prince of Wales on Hudson Bay to the mouth of the Coppermine River on the Arctic Ocean. Hearne had failed in the earlier expeditions with Cree Indians, but finally, with Chief Matonabee and a group of Chipewyans, succeeded in reaching Coppermine in 1771 after a journey of eight months. He was the first white man to reach the Arctic Ocean overland from Hudson Bay. Hearne erected a mark claiming the coast for

the Hudson's Bay Co.; but the company's hopes to establish a permanent shipping port on the Arctic were dashed when Hearne discovered ice-packs stretching from shore to horizon. That was not the only disappointment. The Indians had told how "the hills were entirely composed of copper all in handy lumps like a heap of pebbles." Eskimos of the region had copper tools, but after a search of four hours, Hearne and his men found only one recognizable piece of copper ore and gave up. Returning to Fort Prince of Wales,

Matonabee guided Hearne south. They crossed Great Slave Lake on the ice, followed the Slave River south to the present site of Fort Smith on the northern border of Alberta, then turned east. As they proceeded through the spring, they were joined by groups of Indians bound for Hudson Bay, loaded with furs. Hearne arrived back at the fort safely after an expedition of 18 months which helped open up unknown lands of the prairies and the Arctic.

## VIOLET GROVE NEWS

Mrs. Elsie Arndt,  
Correspondent.

Mrs. Ed Hines Sr visited her son and daughter and relatives in and around Edmonton, also Rose and Fred Bradley of Barrhead.

Several weeks ago, Mrs. Ann Look's cat had the misfortune of a serious accident which required skillful surgery to save its mangled leg. After spending quite a spell in the animal hospital, the cat is back home again and getting around wonderfully in spite of its leg being in a cast.

A welcome guest at the Vern Beckett home last Sunday was Vern's Aunt Eva who spent a few days visiting relatives and friends around Violet Grove and Drayton Valley.

Lee Allen was home recently to visit his parents, Mr. and Mrs. Maynard Allen. Lee is employed with the Government near Red Deer.

A few days ago, Robert Muir Jr. narrowly escaped injury when his car went out of control on the icy road and landed in a snowbank. The car looks pretty banged up but Robert wasn't hurt.

Mr. and Mrs. Lawrence Platz spent a recent weekend at St. Paul visiting their son and his family.

The children in and around Violet Grove are invited to attend Sunday School at the local church. Its strictly non-denominational so all are welcome. The Sunday School teacher, Mrs. Grace Landers, welcomes children of all ages and ensure you that all teachings are strictly from the Word of God.

The kids were sorry to see the Choralaires not getting top honors on T.V. this week but believe me Mr. Humphreys and his group rate high never the less.

# Air Cadets to Visit Whitecourt

Air Cadets of Drayton Valley No. 733 Squadron will travel to Whitecourt on Sunday, March 12th to take part in inter-squadron sports.

Members of the local squadron, composed of 42 boys, will travel to Whitecourt by bus where they will participate in curling, bowling and marksmanship events. The trip is open to all members of the squadron who will be accompanied by adult officers.

At their regular parade last Thursday evening the squadron was inspected by F/L Jim Nelson from Edmonton Command. He also delivered an

informative talk to the cadets.

It has been announced that besides Flying Scholarships, Glider and Soaring Scholarships are now available to Air Cadets. The Alberta Provincial Committee is presently negotiating the purchase of three new gliders to be used in scholarship courses.

Glider rides were enjoyed by cadets at summer camp at Penhold last year and proved extremely popular. The gliders were made available from civilian glider clubs but are now required full time for the use of their own members.

## ATHLETIC ASSOCIATION SETS NEW PARTICIPATION FEES

The Athletic Association of Drayton Valley has always depended on donations in order to sponsor its numerous activities. Due to various changes in the town these donations are no longer available. Also, most companies and business men are sick and tired of having people come with hand outstretched for a donation.

In order for the Athletic Association to survive, we have to have a working capital at all times. This money we invest in uniforms and various equipment for the different activities which we sponsor.

We have to look to other sources for our income and we have only one way to go; that is, to the parents of the players involved in the activity of his choice. This can mean only one thing, if the children wish to play hockey, baseball or any other sport, each parent will have to carry part of the financial burden instead of a few generous donors.

The Association is wholly dependent on outside help for money, sponsorship of various teams, coaches, referees and leadership of any kind. Unless the parents stand behind us, there will be no minor sports activities for their children.

The new rates per season for registration for minor activities for the 1967 season are as follows: Swimming, \$4.00 per person; Hockey, \$4.00 per person; Baseball, \$4.00 per person; and Football \$6.00 per person.

### SCHOOL FLASHERS

This week two basketball games were played, the first game was between the Warburg Trotters and the Huskies with the Huskies winning 29-26. The second game was between the Warburg Junior High girls basketball team and the Oopiks, with the Oopiks winning 14-12.

#### Movie Planned

Plans have been made for the showing of a tremendous color film, "Riding the Pulpit" at the Church of God on Wednesday, April 12th at 7:30 p.m.

## Tomahawk Beef Club Plans Calf Tour Saturday

The fourth regular meeting of the Tomahawk 4-H Beef Club was held at the home of Walter Medd on Tuesday, February 14th. All but one of the members were present.

The date for the Tomahawk calf tour was set for Saturday, March 11th. It was decided that Lobstick be invited.

Dr. D.L. Kreycik, Drayton Valley veterinarian was to be invited to talk at the next regular meeting.

Reports were given by Rita Piscunouwicz and Lance Tower. The meeting was then adjourned.

After the meeting a quiz on project books was given by Mr.

Tom Newcomb, District Agriculturist. Lunch was served by Mrs. Medd and Mrs. Engstrom.

Film strips were then shown by Mr. Medd, showing the clubs achievement days and other activities in previous years.

#### GIRLS PLAN TEA

The Canadian Girls in Training are sponsoring a St. Patrick's Day Tea on Sunday, March 19th in the United Church basement from 2:00 to 4:00 p.m. Babysitters will be on hand at the church for anyone who wishes to bring their children. Everyone is welcome.

## Kindergarten Satisfies Need

Most people will agree that no child should be deprived the opportunity to attend kindergarten. The five year old is curious, restless and enthusiastic and what better way to satisfy him than a half day in the relaxed atmosphere of kindergarten.

The experts contend that half of a 17 year olds intelligence is developed by the time he is four, another 30% between four and eight. It would appear that when a child's power for learning is greatest nothing is being done about it.

A few people will argue that children are not given the opportunity to be children any more.

Does the fact that for a part of the day there is someone to answer his many questions and to encourage his curiosity, that there is someone to guide him in his imaginative play and to encourage his imagination, make him less a child? Is he enjoying childhood less or is he being prepared, in the things he enjoys doing, for a

better life? Was childhood really all that carefree and happy--so sacred that we dare not encroach upon it? Think back a few years. Remember how weird and real were the pains, griefs and fears of childhood.

Ask any well adjusted child who attends kindergarten if he would rather be at home. Yes, kindergarten is what the well adjusted child needs to develop his intellectual needs, to satisfy his restlessness and to encourage his enthusiasm. It is needed even more so by the shy child, the pampered child, the child with a speech impediment and the child whose parents are obsessed with the need to impress and achieve and show them little love. These children are given an opportunity to develop emotionally and when the time comes for him to enter into the more formal atmosphere of Grade I, he will be ready for it.

Kindergarten is essential but it can only be of true value

if it is part of an established school system such as the child will attend during his school life. In Alberta, under our present system, the kindergarten teacher is hampered by what she can not do and even with these limitations, when the kindergarten child goes into Grade I he finds that instead of learning to read and write as he expected, he must spend two or three months repeating the reading and arithmetic readiness which he did in kindergarten. If all children were given an opportunity to attend kindergarten this overlap wouldn't be necessary. Under our present system the children who attend kindergarten are being penalized by having to spend a boring first two or three months in Grade I. This could affect their whole outlook of school. Grand Prairie has solved this problem to a certain extent. For the past three years their school district has conducted kindergarten classes. The provincial government gives no financial assistance but the Board provides classrooms, equipment, school materials and hires the teachers for the classes. The parents pay \$10.50 a month. This is not an ideal situation but it is the only solution and one that could be possible for Drayton Valley, until the government has been nudged into facing the facts and incorporating kindergarten into the public school system.

## March Food Outlook

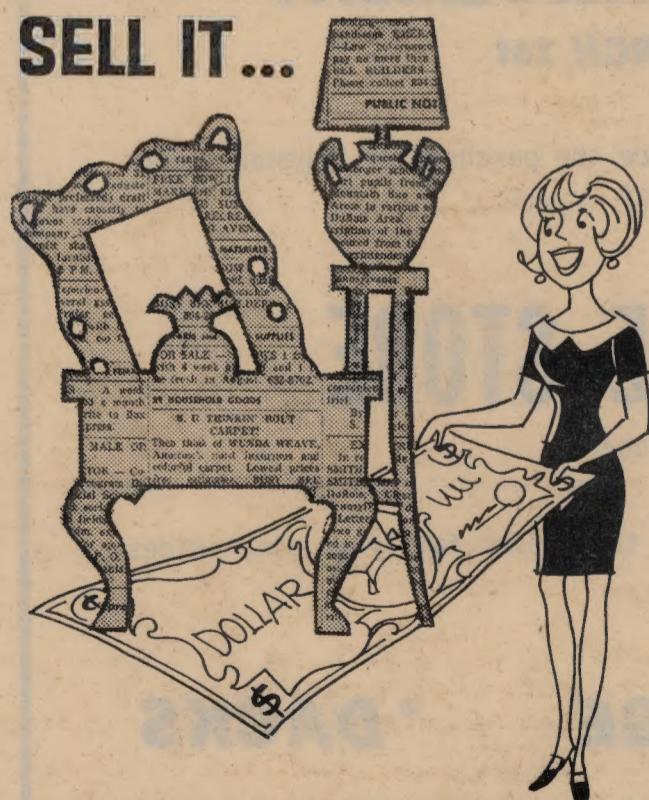

OTTAWA--The Easter season is expected to have some effect on poultry meat and egg marketings.

CDA economists offer the following forecast for March:

Eggs: Marketing may dip slightly in March and this combined with a strong Easter demand, may cause prices to rise slightly. Supplies will remain plentiful at least until early summer.

Turkeys: Storage stocks and prospective marketings of broilers are both large. With relatively low prices, pre-Easter sales are expected to be heavy.

## SELL IT...

## THRU THE WANT ADS

PHONE 542-3425 FOR  
WESTERN REVIEW WANT-ADS

Broiler Chicken: Prices appear to have adjusted to keep the heavy marketings moving into consumption.

Pork: With supplies in both Canada and the United States in balance with demand,

prices are not expected to change much from present levels.

Beef: Supplies continue somewhat higher than last year and prices may remain fairly steady.

## In The Legislature

By Mrs. C. R. Wood, M.L.A.

Friday morning of the fourth week in the Legislature, the first meeting of the Public Accounts Committee was held. Some spirited discussion took place over Alberta Civil Service Pension Fund. At present, the government takes pension contributions in as general revenue and pays pensions out of general revenue. The Liberals maintained that these are trust funds and should be accounted for separately.

On Monday, Hon. Gordon Taylor, Minister of Highways, corrected a statement reported in the press to the effect that he was asking the Legislature to remove speed limits on all highways. He said such a thing was farthest from his mind and that normal highways and limited access roads are different from expressways. Normal highways are the usual two-lane highways, constituting the greatest percentage of Alberta roadways. The four-lane divided highway No. 2 between Calgary and Edmonton in parts is one that could have the speed limit removed, he said.

In answer to a question as to when a plebiscite on daylight saving would be held, asked by Wm. Dickie (Lib. Calgary Glenmore) Premier Manning stated that only four or five requests for such a plebiscite had come to him recently, but if one is to be held, it would be province-wide and at a Provincial election.

The longest speech of the Session to date, was given by Hon. J. D. Ross, Minister of Health. He reported on the work of his department and dwelt at some length on the Mental Health Division. He stated that both Ponoka Hospital and Alberta Hospital, Edmonton show a discharge rate of 90 percent, proving that active treatment and good care are given the patients or they could not be discharged.

Alberta's two mental hospitals are less crowded than similar units in other parts of Canada, Dr. Ross said. A 250 bed mental health section is planned for the Foothills Hospital in Calgary and a similar project planned for Lethbridge. Renovations are underway in both existing hospitals but there are 1100 patients at Ponoka and 1390 at Alberta Hospital, Edmonton. A treatment centre providing accommodation for 80 patients suffering from alcoholism will be set up near Alberta Hospital, Edmonton, he said.

Dr. Ross was critical of the Federal Government Medicare plan and stated that the Provinces should have been consulted before enacting the plan. Air pollution is not an easy problem to solve he said, but his department is diligently working toward prevention of it.

Hon. Mr. Hooke reported on the work of his department and defended the government's position re taxation since there was a limit to taxable sources. Despite complaints of heavy taxation, he said, Alberta has not gone as far as many other places. An assessment study and review of the equalized assessment formula will

be carried out by his department and the new manual will most likely be ready by 1968, he said. He spent some time in comparing the Social Credit Way of Life as against Socialism.

On Thursday the debate on the Budget ended after ten Cabinet Ministers twenty government members and three opposition members had spoken. Twenty-three bills are to receive second reading and 44 others are ready to go into Committee of the Whole Assembly for clause by clause study.

The man who laughs at the boss' jokes does not necessarily have a sense of humor, but he surely has a sense of direction.

## Choose Diocesan Delegates

All Saints Anglican W.A. held their regular meeting March 1st in the Parish Hall with eleven members present.

Mrs. Hammerlind led the educational period continuing the discussion on missionary

### New Citizen Of Canada

On Monday afternoon, February 27th at the Citizenship Court, Miss Margo Palmer was one of twenty-three applicants who received Canadian citizenship papers. Following the ceremony the applicants, their friends and relatives were served tea.

Margo, daughter of Mr. and Mrs. B. Palmer of Drayton Valley is at present working in the Aberhart Memorial Hospital.

work in the world today.

Plans were made and delegates chosen for the Diocesan annual meeting to be held in Edmonton April 3rd, 4th and 5th.

A St. Patrick's Day tea and bake sale will be held on March 17th in the Parish Hall.

A motion was made that another portion of the Rectory

mortgage be paid.

The meeting closed with prayers and lunch was served.

The hillbilly had just spent his first week in the big city. When he returned home he sported an enormous diamond stick pin.

"Say," asked a friend, "is that diamond genuine?"

"Wal," said the hillbilly, "if it ain't I sure been beat out of a dollar and a half!"

## Calgary Power Announces Plans For Sundance Thermal Plant

A large thermal power generating station with capacity exceeding Calgary Power's 1967 total system capacity of 1,248,000 kilowatts is being planned for a site on the south side of Lake Wabamun. To be known as the Sundance Site, it will include four generating units totalling from 1,300,000 to 1,600,000 kilowatts and is presently scheduled for completion by 1980.

The first 300,000 kilowatt unit will be in service by 1971 and will be similar to the #4 unit now nearing completion at the Wabamun plant.

A second unit is envisioned for 1975.

Surveys are complete, drilling has been completed for evaluation of coal reserves and foundation material, access roads have been constructed and initial drainage ditches have been placed. Negotiations are at present being carried out for permanent roads and a railroad spur with suitable capacity to support individual loads of up to 200 tons.

The coal deposits are formed by two seams and cover an area of approximately 11

square miles with overburden varying between 15 and 120 feet. Reserves are available to support the total plant for its usable life of about 30 years. Coal handling will be similar to that used at the north plant where five seams of coal are mined.

The power generated will be fed into existing Wabamun and Benalto circuits over two, 240,000 volt lines. Further planning of the plant and lines must, of course, remain flexible due to changes in technology and load characteristics.

## D. V. Highlights

BY MRS EDITH DEBY

Miss Barbara MacKenzie, daughter of Mr. and Mrs. John R. MacKenzie, was home for the weekend. Miss MacKenzie has a position with Alberta National Drug in Edmonton.

Sorry to hear that Mr. Jack Tyler has been in hospital lately.

Mr. and Mrs. Free are having a fine new house built on their farm north-west of town.

Farm families living in the Pembina area west of Violet Grove are deeply concerned by the discovery of lead in their drinking water. Tests are being conducted in all wells in the area. Dr. Brown, of the Edson Health Unit, met with farmers on Monday to discuss what steps should be taken to determine the source of the contamination and possible remedies.

Messrs. Brownbill and Pickovance were honoured by their old friends with a farewell party on Saturday night at the Dunington Farm Union Hall. The guests of honour were presented with a purse and the suggestion was made that they might like to buy some extra special fishing equipment. After they have a sale of their farm machinery and household effects Mr. Brownbill and Mr. Pickovance will retire to Creston where they bought property some

time ago.

The Arvet Erickson family is getting passports and making other necessary preparations for their trip to Sweden in May.

Friends of Mrs. Bohdan Urchyshyn dropped in at her home on Monday afternoon bearing a birthday cake and good wishes. That's the kind of surprise that would please anyone, isn't it?

Gyrotron, the spectacular ride at Expo 67, will introduce the intrepid explorer to a series of adventures. In one of them he will spiral upwards past planets, falling meteorites, astronauts and space vehicles.

## Mental Health Annual Meeting

The annual meeting of the Canadian Mental Health Association, Alberta Division, will be held at the Granada Inn, Red Deer, on Saturday, March 11th, it was announced this week by G.S. Brant of Calgary, president.

The business session will commence at 3:00 p.m., and will feature an address by Dr. J.D. Griffin, General Director of the Canadian Mental Health Association, and one of Canada's outstanding psychiatrists. Dr. Griffin will speak on "Community Mental Health Services in Canada."

The annual dinner at 6:00 p.m. will be followed by the president's report on the "State of the Association."

## Poster Contest

### Being Held

The Drayton Valley Figure Skating Club is looking forward to a good response from the grade six pupils taking part in a poster contest.

This contest is open to all grade six pupils and with the cooperation of the schools and their teachers, the top three winners from each class will be selected. The winners will receive tickets to the afternoon performance of the "Canadian Heritage" ice show on April 8th. All selected posters will be displayed within the town to help promote this Boy Scout Ice Carnival.

# Annual Meeting Separate School Electors

Thirteen electors attended the annual meeting of rate-payers of the Drayton Valley Roman Catholic Separate School District No. 111 to hear reports on the operation of the school district for the calendar year, 1966.

The meeting which started at 8:10 p.m., was held at St. Anthony's school last March 5th. Mr. J.A. Koehnstedt was elected as chairman for the meeting and he in turn appointed the board secretary, A.E. Andruschak to record the minutes.

Mr. Orieux, principal of St. Anthony's School reported on enrolment figures of last year, attendance averages and other related information. The trustees report was read by Mr. A.J. Telford, Board Trustee, and it was pointed out, to the electors present that St. Anthony's School was now in the stages of undergoing expansion for the fall term to accomodate the increase in student enrollment anticipated.

In the Treasurer's report Mr. A.E. Andruschak indicated that the school district operated at a \$464.90 deficit for the 1966 calendar year. It was also pointed out that operating deficits for the years 1964 and 1965 were greater than last years and that they were reducing annually. Mr. Andruschak advised the electors that it was not unusual for a new school district to operate at a deficit for its initial years of operation and predicted that in the next few years the school district will

## DISTRICT NEWS

### LODGEPOLE

Mrs. Charlotte E. Kay  
Correspondent

Lodgepole Lion Bantams defeated the Drayton Valley All Star Pee Wees by a score of 4-3. Goals were scored as follows: Randy Hamilton, 1; Darrell (Swede) Williams, 1 goal and 1 assist; Don Whelan, 1; Paul Tuks, 1.

Drayton Valley Lions Pee Wees were defeated by the Lodgepole Lion Pee Wees by 11-6. Cyril MacMillan who was the star of the game scored 8 goals. Lorne Knapp, Randy Brodersen and Brian Karach scored 1 each. Once again Lawrence Smith did a fine job of goal tending.

The Lodgepole Lions held a bonspiel this past weekend. The winners were as follows: First Event--Daniels, 1st; Mundorf, 2nd. Second Event-Knight, 1st; Petuk, 2nd. Hard Luck--Wiltse.

The members of the Lodgepole United Church Women will meet at the home of Mrs. G. Pedersen on Thursday, March 9th. Members please note change in day.

To meet wood requirements in Canada during the next 100 years, every acre of productive forest land must work to full capacity and forest losses by fire, insects and disease must be reduced. Do your part to insure Canada's future prosperity by being careful today.

have recovered its accumulated deficit of \$4,566.35. It was also pointed out that the Board of Trustees were performing a good job on holding the line on the cost of education and at the same time offering the students the best possible education, and that Drayton Valley was the second lowest separate school town district who requisitioned its ratepayers for additional operating funds, second only to Pincher Creek who requis-

itioned 2.01 mills to this district's 2.70 mills.

The 1966 auditors financial statement was reviewed and a question period was held to allow the electors to ask for any explanations relating to revenues and expenditures.

Board Chairman, Mr. E.C. Meraw, spoke briefly on the separate school system and encouraged electors to run for office as in two previous elections, nominees were elected by acclamation.

A motion for a vote of confidence was made for the fine job the Board of Trustees were performing and Mr. Telford spoke on behalf of the Board in recognizing Mr. Andruschak's past performance as secretary-treasurer of the Separate School District, who will be moving to Medicine Hat to assume responsibilities in the capacity of assistant to the secretary-treasurer of the Separate School District there, later this month.

## Basketball Tournament

A basketball tournament will be held on March 11th at St. Anthony's. Visiting teams are Winfield, Seba and the Drayton Valley Huskies.

Passes are 50¢ a day and 25¢ a game. Games start at 10:30 a.m. and are over at 5:00 p.m.

Trophies will be given as first and second best teams and there will be two All-Star trophies. Huskies and Winfield will play the first game at 10:30. Saints versus Seba will follow at 12:00.

## Local Bowlers To Compete

On Sunday, March 5th house roll-offs were held at the Twilight Bowl. Both senior and junior bowlers entered. Eight boys and seven girls were selected to bowl against Wetaskiwin on March 12th. Several junior bowlers were selected.

The top eight girls and seven boys from the March 12 Zone 3 roll-offs will go to Red Deer April 1st to compete in Western Canada and Alberta Roll-offs.

Bowlers who made the team were: Sonia Urchyshyn, 1150; Shirley Huber, 1107; Linda Astle, 955; Sylvia Dion, 928; Dolores Lachance, 835; Sandra Romano, 835; Pag Hurley, 1323; Lee Hurley, 1238; Rick Gabrielson, 1227; Dean Parenteau, 1043; Eddie Cooke, 1011; Manfred Baum, 945; and Wayne Nelson, 902.

On Saturday, March 11th five junior bowlers will bowl at a classic in Red Deer.

Good luck to all the bowlers both junior and senior.

## Nominating Committee Appointed by C.W.L.

The regular C.W.L. meeting was held at 7:00 p.m. at St. Anthony's school with 16 members present.

The meeting opened with the league prayer.

The retreat for the ladies of the parish will be held on April 11th to 13th at St. Albert. Anyone wishing to attend contact Mrs. Horne at 542-3404 or Mrs. Saulnier at 542-3482.

There will be a come and go tea with a tour through the new rectory and church sometime after Easter.

A nominating committee consisting of Mrs. Lemermeyer, Mrs. Mulgrew and Mrs. Couture will phone the members and ask them to run on the new executive. Elections will be next month.

Hospital visitors for March are Mrs. Horne and Mrs. Manning.

The meeting closed with league prayers.

After the meeting the members listened to the guest

speaker Mr. Robert Dickey, executive director of the Alberta Division of the Canadian Mental Health Assoc.

Approximately 70 people gathered at St. Anthony's Auditorium to hear Mr. Dickey.

#### RAMONA

Mrs. Margaret Wood Correspondent

Mr. and Mrs. M. Smith from Edmonton are visiting their daughter Mrs. Wood for a few days and celebrating their 54th wedding anniversary

Many friends from the Ramona district attended Mr. and Mrs. Pat Hudson's wedding dance held last Saturday. Mrs. Hudson is the former Miss Edith Copeland. Many good wishes are given to the happy couple.

Mrs. Vicky Kos spent the weekend in the city.

Mr. and Mrs. Sam Melnyk have a new house and expect to move into it in a month's time.

"Golf is too expensive for me right now," remarked the youngster, "but just as soon as I can afford to lose golf balls I'm going to take up the game seriously."

"Let me tell you something son," replied the duffer. "By the time you can afford to lose golf balls, you won't be able to hit them that far!"

"It's at times like this that husbands really come in handy."

## Plan Beef Feeders Tour Of Ontario and Quebec

At the request of a number of Alberta cattle feeders, Calgary Power Ltd., with the cooperation of Ontario Hydro,

and many others, is organizing a tour of the cattle feedlots of Southwestern Ontario and Eastern Quebec from April 23 to May 2nd.

It is planned to fly to Windsor where a bus will take the group through Chatham, London, Woodstock and Guelph areas with stops at farms, feedlots, auction markets, and other places of interest. The Tour will then proceed to Toronto and Ottawa through some of the cattle raising areas and then to points in the Montreal area. Arrangements have been completed to spend three nights in Montreal, including a 2-day visit to Expo (All this in 10 days.)

The cost of the tour, including air fare, bus fare, reservations for three nights in Montreal and two day passes to Expo, is \$265. Expenses for shared room and meals for the trip is estimated to cost \$85 for a total of \$350 per person.

Further information may be obtained from Alex Metcalfe, Calgary Power Ltd., Box 1900, Calgary, Alberta.

## BOWLING NEWS

### MIXED LEAGUE

For the week from February 20th to 24th in Mixed League bowling Phyl Johannesson is holding the ladies high single with 319 pins and Betty Bohnet is holding the high triple with 706. Lloyd Hagen rolled 371 to capture the men's high single and Jack Platz is holding the high triple with 713. The Beatles have the team high single with 1115 and the team high triple is held by the Defenders with 3029.

Men's high averages are: Pat Hurley, 218; Stan Metelski, 213; Gord McManus, 206; Dal Perry, 202; Everest Lilje, 202; Bill Rose, 200; and Ed Barnes, 198.

Ladies high averages are: Eleanor Metzger, 200; Emma Pigion, 199; Sylvia Copeman, 186; Kay Hrynyk, 184; Bea Lainchbury, 180; Ellen Baker, 178; and Marian Remple, 176.

### LADIES' LEAGUE

Eleanor Metzger is holding both the high single (281) and the high triple (696) in Ladies League bowling. The Zeros have the team high single and team high triple with 1066 and 2902 respectively.

High Averages are: Eleanor Metzger, 195; Sylvia Copeman, 193; Carol Redlinger, 180; Merle Featherstone, 178; and Betty Bohnet, 175.

### MEN'S LEAGUE

In Men's League bowling Everest Lilje holds both the single and the triple with 283 and 672 respectively. The Fireballs hold the team high single with 1152 and the Boo Boos hold the high triple with

3078.

High Averages are: Gord McManus, 209; Dal Perry, 202; Emil Hagman, 201; Bill Rose, 199; and Chris Frank and Everest Lilje, 197.

### BANTAM BOWLING

In Bantam Bowling Susan Hagman holds the girls high average with 122 followed by Brenda Streit with 92, Brenda Harris 79, Vicki Hurlay with 77, and Wendy Medwed with 75.

Craig Featherstone leads the boys high averages with 143, followed by Grant Gabrielson with 130, Keith Nelson with 121, Hal Smith with 120 and Donald Omit with 120.

Susan Hagman holds the girls high single with 136 and is tied with Brenda Streit for the high double with 225 pins.

Craig Featherstone is holding the high single and the high double with 166 and 311 respectively.

Keith's team is holding both the high single and the high double with 560 and 1107 respectively.

## Recreation Round-Up

By Mike Gormley

### MINOR HOCKEY

Minor hockey dominated weekend activities at the Centennial Civic Centre. While the Rebels travelled to Jasper and Hinton, teams from the different levels in the Minor program took over and the result was some pretty exciting hockey games.

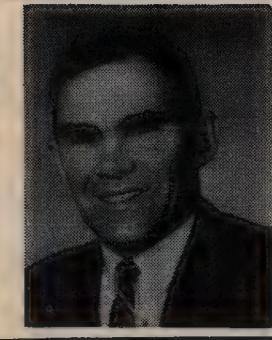

On Friday evening the Drayton Valley Lions met Lodgepole in a Pee Wee fixture which was won by Lodgepole 9-6. Saturday afternoon the Athlone Pee Wee "A" team from Edmonton downed the Drayton Valley Tigers 8-2.

That evening at 7:00 p.m. the Pee Wee Championship of the Hi-Way 16 West league was decided when the Wabamun Kings edged Stony Plain 4-3.

Sunday noon saw Whitecourt and Onoway face off in a game to decide the Hi-Way 16 Juvenile semi-final round. Onoway won this one 5-2 and now will face Stony Plain in the best-of-three games final round to decide the league championship. These two playoff games were played at the local Civic Centre because of unfavourable ice conditions on the outdoor rinks throughout the league. At 2:30 p.m. on Sunday the Pembina Pipeliners, our Juvenile team, took an easy 14-0 victory from Edson to close out a rather busy weekend of hockey activity.

During the coming week there will be a lot more of the same. Tuesday night there is action at the Mite level with the J.A. Trucking facing Lodgepole.

Thursday the Tigers take on Warburg in a Bantam game and Friday evening features a meeting at the Pee Wee level with the Drayton Valley Hotel Oilers taking on Mayerthorpe. Saturday afternoon the Tigers go against Tomahawk Bantams at 2:00 p.m. Then we have the Rebels at home against Edson on Saturday night and also it would seem that the Rebs will wind up their regular schedule at home on Sunday afternoon. This game was originally scheduled for Edson but that Town is hosting a Centennial Juvenile Tournament on the weekend and the Commodores will likely have to play that game on the road.

### SKATING TIME GETTING SHORT

The Civic Centre will be in operation only one month more, so public skating enthusiasts make use of the facility when you can. Attendance at public skating seems to have waned during the past week, possibly the unseasonable weather was a factor in the decisive drop.

### BOXING POPULAR

In earlier years, Drayton Valley had one of the best amateur boxing clubs in Canada. So much so that this town was chosen as the site of the Canadian Boxing Championships in 1961. This proved to be the greatest single sports event ever presented here and was the zenith for the local boxing club. From June, 1961 interest in the sport waned steadily. The club still had its brighter moments such as Orvin Combs winning the Pan American trials in Toronto in September of 1962, but generally interest in the sport seemed to be on the decline. Finally late in 1965 boxing faded from our recreation program completely.

Early this year Constable Lorne Gauley of the Drayton Valley Police Force re-established the fistic sport in our community. He set up training quarters in the local swimming pool dressing rooms and to date the club membership has raised to approximately 40 members. A good majority of these boys belong in the junior category, that is they are under 14 years of age and weigh less than 112 pounds. A couple of former Provincial Champions, Garry Mastre and Barry Thompson are the club instructors and under the direction of Constable Gauley. The Club meets on Monday, Wednesday and Friday. The Constable has been a busy man directing traffic in the rather limited confines of the pool dressing rooms. What the club needs most is more room, a larger building if its membership continues to climb or even remains as it is.

When a man marries again, he takes a new lease on life.

## Birth Rate Declining

Figures now available from the Vital Statistics Branch, Alberta Department of Public Health, indicate that the birth rate in Alberta has continued to decline. Since 1963, when 38,467 births were registered in the province, the total has decreased steadily to the 1966 figure of 30,255.

The decrease has been experienced in all developed countries of the world and is attributed to the reduced birth

rate experience of World War II years.

In 1965, Alberta returned figures showing a marriage rate of 7.7 per 1000 population with a total of 11,209 weddings. Indications are that the number of marriages in 1966 exceeded this figure by 400 to 500.

Much has been said about the drinking driver, but the drinking pedestrian is almost never mentioned. Did you know that one out of every four adult pedestrians killed in traffic accidents had been drinking? Alcohol has no place in any phase of traffic.

## A.G.T. Centennial Scholarships

Alberta Government Telephones has instituted two new scholarships for post-graduate studies at the Universities of Alberta and Calgary to commemorate Canada's Centennial year.

The awards, to be known as the Alberta Government Telephones Centennial Scholarships, are open to graduates in Engineering, Physics, Mathematics or allied fields wishing to do post-graduate studies involving telecommunications leading to a Doctorate in the Sciences.

The scholarships, worth

\$5,000 a year for two years are not necessarily confined to students who are residents of the province but preference will be given to Albertans.

Selection of recipients and administration of the scholarships will be the responsibility of the universities and success-

ful candidates will receive \$5,000 covering a twelve month period for two years.

Since the University of Calgary will not have students eligible for this Scholarship until 1968, an award will be made to the University of Alberta only until that time.
